ALL FAITHS MEDICAL MINISTRY

Medical Equipment Ministry: During the more than 20 years that All Faiths Chapel occupied the location where New Hope meets today, its members created and maintained a ministry that provides equipment to local residents who have special medical needs. The storage building on the property houses wheelchairs, walkers, powered hospital beds, braces of many different types, crutches, breathing assistance equipment, and assorted other items. These are available on a no-charge basis with a checkout list. New Hope has committed itself to continuing this ministry in conjunction with the people who founded All Faiths.

If you have a need, call either **Connie Granberg: 833-4423**, or **Alan Cooper: 833-4301**.

President's Report

June 1, 2015

May has proven to be a month to remember. We are grateful for the rain we finally received, even though it was more than we needed at one time. This is the kind of rain that helps fill ponds and lakes and may help get us out of the drought we have been in for some years. It is also the kind of rain that creates disasters in our communities. There have been a lot of people affected by the storm damage and we need to continue to pray for them and help those we can during these times. Lives were lost and families deeply affected by this disaster, please pray for all of them.

We canceled our council meeting this month and are scheduled to have our next meeting June 14th following our 8:30 a.m. service. We will be working on details to welcome our new Mission Developer Pastor, Jessica Cain this month. The Synod approved Jessica's call for New Hope at the beginning of May and she will join us in July. We will continue to have Pastor Kay Johnson as our supply pastor until that time and will be able to call her as needed for a supply pastor.

The activities of our congregation are continuing; Becky Greathouse got some plants put into the garden this month. We will continue to collect food and toiletries for the Good Samaritan Center throughout the year. We will continue to be a part of the Lunches of Love program. We are working on scheduling our next cooking class "A Place at the Table", so look for more information to follow. And we continue to help those in need of medical supplies through the All Faiths Medical Ministry program. A special thanks goes out to all involved in these activities, they wouldn't be possible without your dedication and efforts, Thank You and God Bless You.
